Description

Welcome to our home, Fort Myers Beach, what we refer to as paradise year-round. Hurricane Ian took a toll on us, but we are bouncing back better and stronger than ever! We would love nothing more than to host your stay at the Harbour House at the Inn located in the heart of downtown Fort Myers Beach! Come see how resilient our community really is. It seems daily that a new shop or restaurant opens. Too many to keep count! For an up-to-date list, please see the FMB Chamber of commerce or Beach Talk Radio's web page.

The beach is looking great! The sand is clean, and the water is warm! Come visit your favorite beach and help support locals while we continue to rebuild this amazing beach!

Please be aware that we are still working on our lower level. It does not affect the suites, only the ground level. Our office is temporarily located on the second floor in the community room. Call 386-215-7902 with questions.
