Harbour House at the Inn #208

Harbour House 208 is a second floor hotel condo studio on the tropical Estero Island known as Fort Myers Beach. Since the devastation of Hurricane Ian, a lot has changed. We are in the process of rebuilding our beautiful island, and would love to welcome guest back to help us celebrate each new reopening of our local businesses. There is still seven miles of beautiful beaches. Have lunch or dinner at Wahoo Willies or even the Yucatan, maybe some Fresh Catch Bistro. Yo Taco is open again, along with Mom's for the best cinnamon rolls or breakfast on the beach. Everyday new businesses are opening as we attempt to rebuild our island and lives. Resort amenities include parking for one car in the garage beneath the building, the beautiful in-ground pool and hot tub in a central area on the second floor, along with community room with full kitchen if you have friends over and wish to all gather around the pool area. The second floor also has an outdoor covered seating area with a TV for your entertainment. A community gas grill is available on the third floor, along with its open deck with plenty of lounge chairs and umbrella tables. Condo amenities include central air conditioning, ceiling fans, cable TV, complimentary WiFi and all linens and towels are provided.

This studio has beautiful wood flooring. The kitchen area has hard surface countertops and cabinets with all the necessary items to prepare meals or just coffee and toast in the morning. Appliances include a 2-burner gasstop range, built-in microwave oven, a mini-dishwasher and refrigerator/freezer. Next to the kitchen area is a dining table seating two. The living area has a sleeper-sofa with coffee table, next to which is a queen-size bed with night stand and lamp. Opposite the bed is an armoire and credenza with a large flat screen TV. Sliding glass doors open to furnished balcony overlooking the street below with the colorful shops, restaurants and partial views of the back bay. The large bathroom has tile flooring and a vanity with lavatory and storage space beneath, commode and a tiled combination tub/shower. Harbour House 208 will be a memorable vacation destination. Welcome to our home, Fort Myers Beach, what we refer to as paradise year round. Hurricane Ian took a toll on us but we are bouncing back better and stronger than ever! We would love nothing more than to host your stay at the Harbour House at the Inn located in the heart of downtown Fort Myers Beach! Come see how resilient our community really is. It seems as daily that a new shop or restaurant opens. Too many to keep count of! For an up to date list, please see the FMB Chamber of commerce or Beach Talk Radio's web page.

The beach is looking great! The sand is clean and the water is warm! Come visit your favorite beach and help support locals while we continue to rebuild this amazing beach!

Please be aware that we are still working on our lower level. It does not effect the suites, only the ground level. Our office is temporarily located on the second floor in the community room. Call 386-215-7902 with any questions.
